

This diagram shows an exploded perspective view of a container assembly 10. The assembly includes a main body 14, a neck 13, a lid 22, and a cap 24. The main body 14 has a base 15 and a bottom flange 26. The neck 13 is located at the top of the main body. The lid 22 is positioned above the neck, and the cap 24 is positioned above the lid. The lid 22 has a top surface 12, a side surface 18, and a bottom surface 20. The cap 24 has a top surface 16. The assembly is shown in an exploded state, with dashed lines indicating the alignment of the components. Section lines 1A are shown on the side surfaces of the main body and the lid.
